

Finding the right speaker for your event is no laughing matter...

...unless you've booked hilarious Judy Carter Laughing Your Way Out of Stress

Judy Carter, humorist, author and motivational speaker, brings her "Laughing Your Way Through Stress" message to corporate audiences and organizations for instant relief, lasting retention, and renewed spirits. Knowing that laughter is a salve for the stressed and a bonding agent for the besieged, America's top female motivational speaker customizes her material and delivers the message you want your group to hear. Judy brings you customized corporate comedy with big laughs and a big message that people will be quoting for years.

The buzz on Judy:

"Companies are now using comedy to help employees deal with downsizing and other wrenching changes in the workplace—and Ms. Carter [is] making them laugh through some of the stress."

—*Wall Street Journal*

"Carter, a humor consultant helps companies cope with everything from layoffs to political turmoil says laughter can boost creativity and morale, and lower employee turnover."

—*CNN News*

"Thanks so much for an outrageously humorous evening of entertainment! In an organization experiencing corporate merger syndrome, your performance was very uplifting."

—*Sylvia Adams, Boeing*

"Your material of using humor in the work place was right on target... Audience participation was great. Everyone agreed your session met the objective of building team spirit and having fun, but 20% also noted 'increased [sales] skills' as a result

—*Mary Terjeson, VP, Sales Planning, Specialty Brands*
